

How to get to Liverpool Hope University (Creative Campus)

TRAVELWISE® MERSEYSIDE

Public Transport | Walking | Cycling | Traffic

Creative Campus

Liverpool Hope University is a community, where we support one another, celebrate each other's successes and work together to reach our full potential. We are the only ecumenical university foundation in Europe. Our excellent academic record and supportive pastoral care are complemented by the beautiful setting of our campuses. We are incredibly lucky to be surrounded by a wealth of both historic and modern architecture and stunning grounds.

The Creative Campus in Liverpool city centre is the home to the University's creative and performing arts subjects. The state-of-the-art Capstone Theatre, Grade II listed Cornerstone Building and Hopkins Hall Residential Accommodation are all set within the tranquil setting of Angel Field – the award-winning Renaissance style gardens. The campus offers:

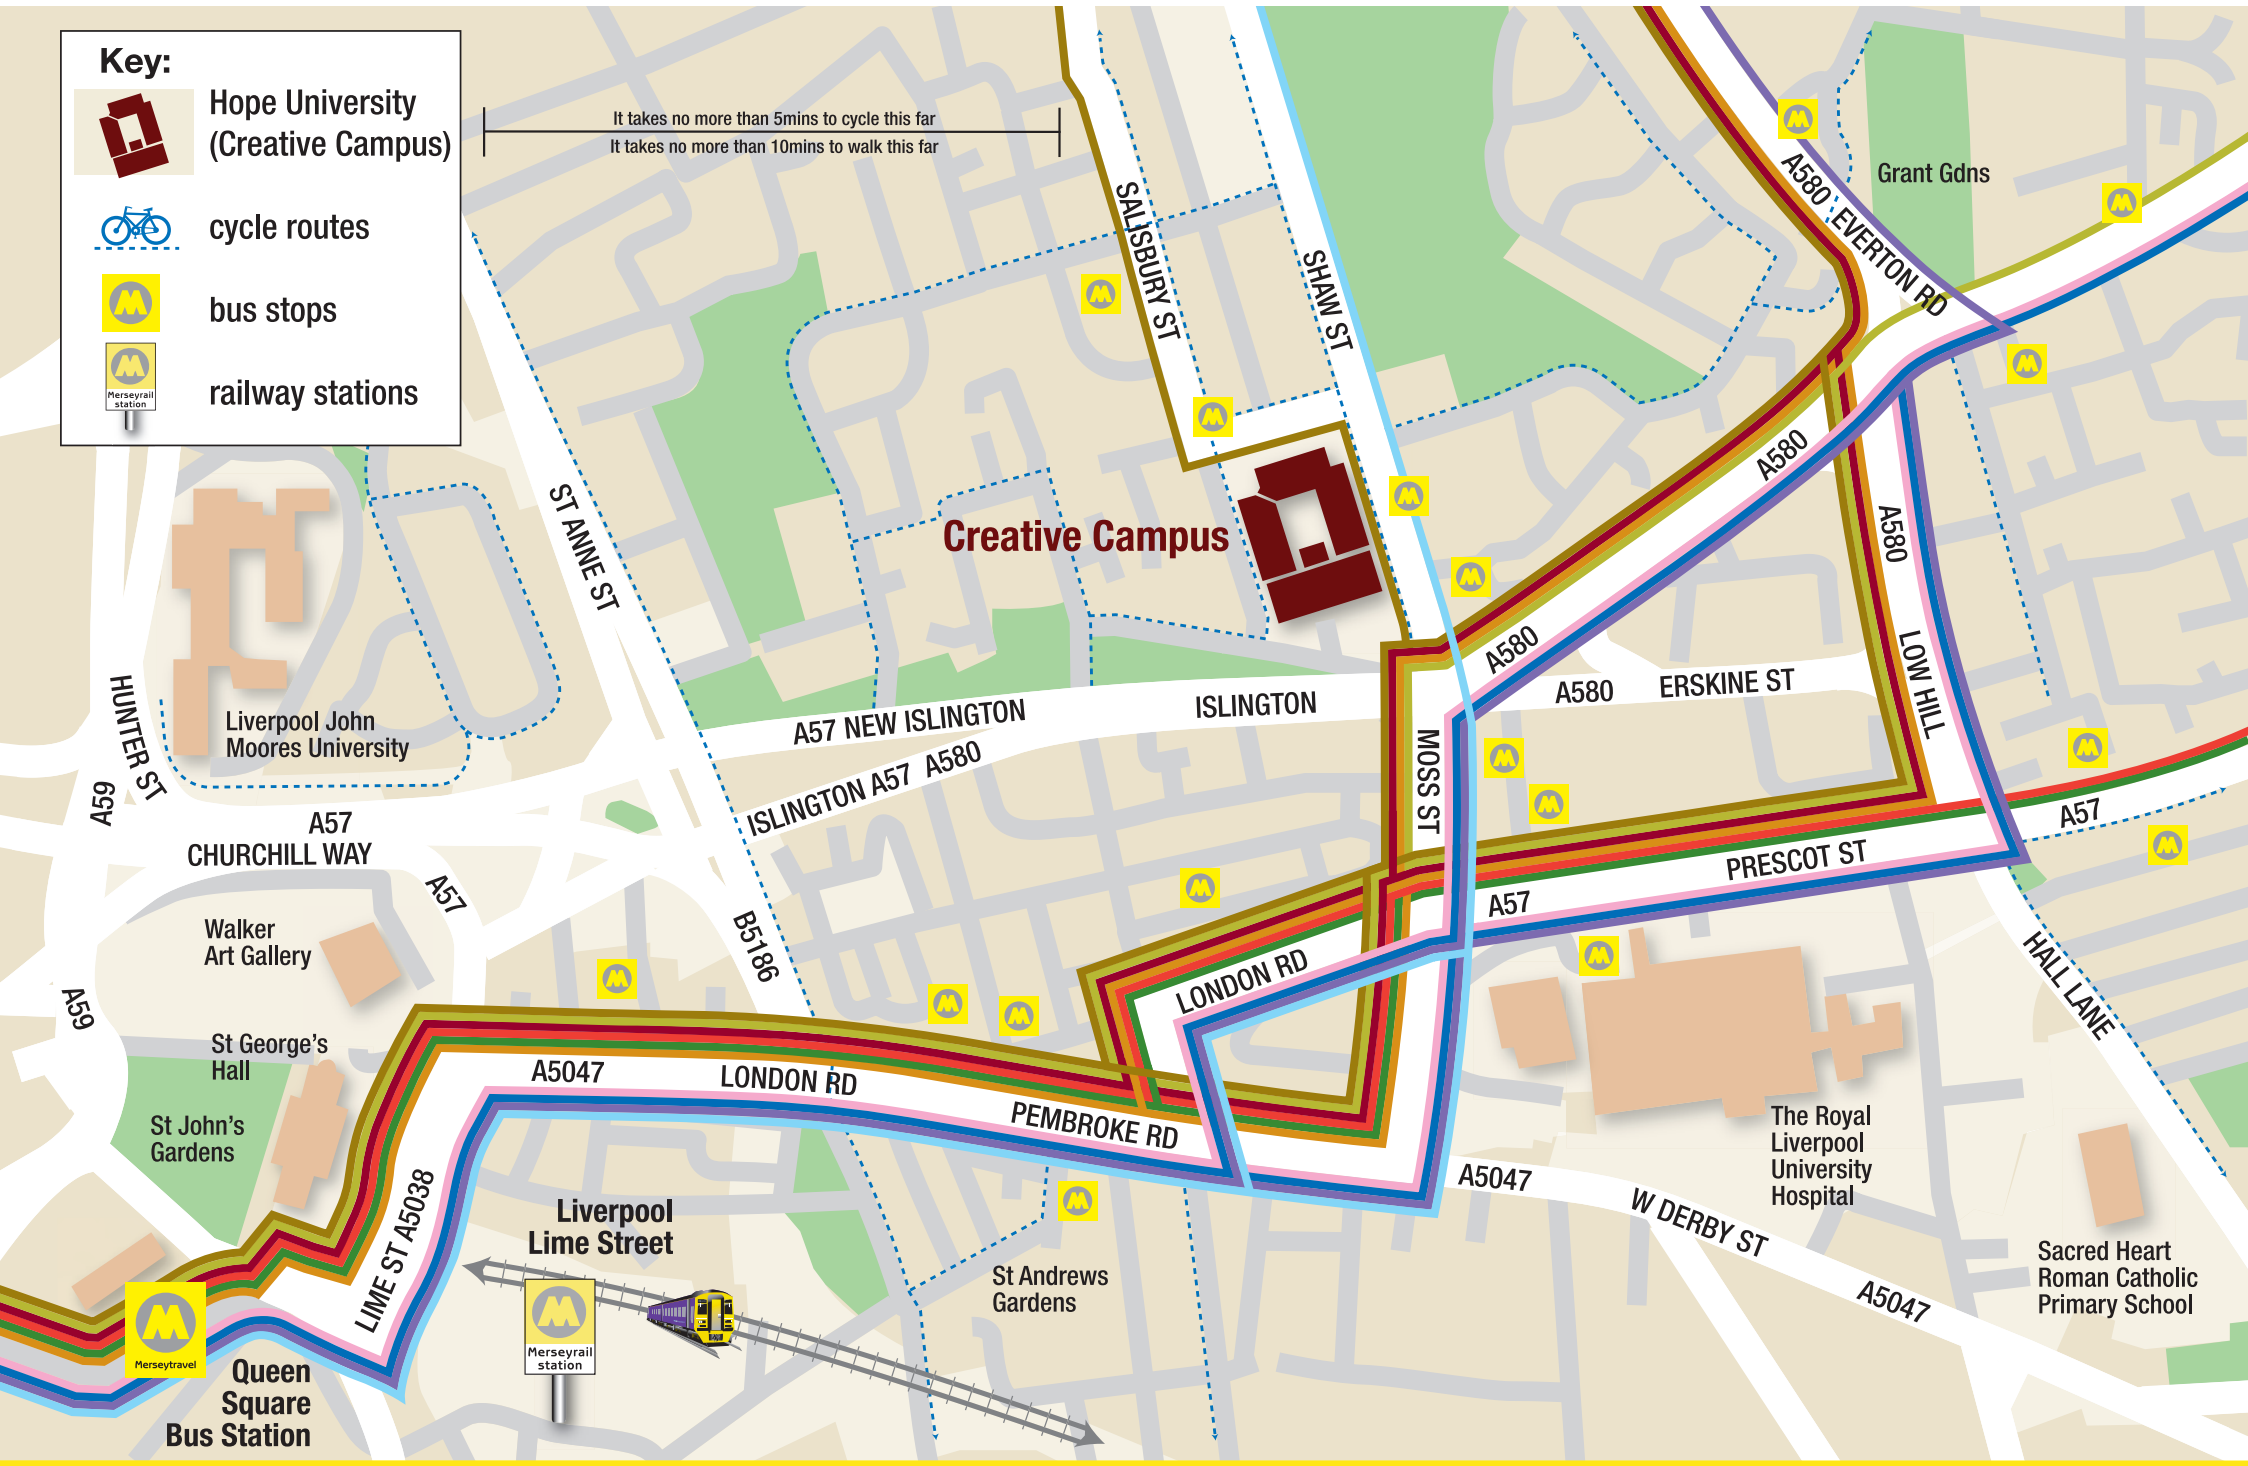
- three theatres
- three dance studios
- music technology laboratories
- recording studios
- studios for painting, sculpture, ceramics, metal and textiles
- an acoustically perfect theatre
- the Cornerstone gallery.

Using public transport, walking or cycling for just one journey a week helps to improve fitness and could save you money.

This guide shows all public transport and cycling options available to the Creative Campus including the frequency of bus routes, the location of the mainline station and suggested cycle routes.

There are many opportunities to help cyclists on their way, including route maps covering the whole of Merseyside, details of local bike shops and free adult cycle skills and maintenance training sessions. Visit www.LetsTravelWise.org to learn more.

How to Get to Liverpool Hope University Creative Campus



University Shuttle Bus:

Our University Bus is a free service for students and staff.

It runs between Hope Park, Everton and Aigburth campuses during term time only.

Times are available at www.hope.ac.uk
